March 16, 2020

Good Morning,

Breakfast and Lunch meals for all children aged 18 and younger will be available for pick up at the Fisher Hill School and the Ralph C. Mahar Regional School beginning today, Monday March 16th during school closures. Pick up times will be from 11:00 a.m. - 12:00 p.m. at both locations. Please look for signs to direct you.

Each day you will be able to pick up lunch for the day, and breakfast for the following day. One meal per child 18 and under will be allowed. If you will be picking up more than one meal, please consider bringing your own box or bag to transport.

If you are in a situation that keeps you from getting to us due to transportation or illness, please call 978-575-4202. We have a group of volunteers willing to bring meals to your children in an emergency. Please only use this service if it is absolutely necessary as we want to use our resources wisely.

Please follow our progress and look for additional announcements on our facebook pages. 'Orange Elementary Schools Food Services Department' and 'Ralph C. Mahar Regional School Food Services Department.' At this time I do not have definitive menus in place but if that becomes possible, you will see them there. We are still working on this piece of the puzzle with our distributors and inventories.

My very best to you and your families. Please be safe and take care of each other. Should you need to speak to me directly, please call 978-673-4804.

With kids in mind,  
Jacki S. Dillenback  
Director of Food Services
